

FRIENDS & FAMILY 2018 REFERRAL PROGRAM

Attention Fellow WHRRI Members...Want to race for free in 2018?

You love racing, you love your friends & family, so why not exponentially feel the love by racing with your friends & family?!

WHRRI is here to incentivize a grassroots movement to grow the racing community in your own backyard. The Board of Directors has approved 10 vouchers for a FREE WHRRI race weekend to any WHRRI member that rents or loans their racecar to a new driver registered for the 2018 WHRRI Driving School.

You remember what it was like getting into racing? It is challenge putting all of the “pieces” together. Stand up as an ambassador to the sport and WHRRI by helping someone get on track for the 2018 WHRRI Driver School.

Unsure of the ins-and-outs of car rental or simply loaning your car...don't worry! We're here to help you get started. We will be doing a tutorial during the February 7th General Membership meeting.

Benefits to renting or loaning your racecar:

- More licensed racers equals more racers on track
- Through teaching you learn – trust us on this and look at anyone's race record who rents/loans
- If renting...make some extra \$cratch

General Program Rules:

- Renter/Loaner must be a WHRRI Member
- One voucher per Renter/Loaner
- New racers/license applicants only
- New racer must have paid for Driver School

If you have any questions before the General Membership Meeting feel free to email me at drschoo@waterfordhills.com

Thank you and let's get some more racecars on track for 2018 and beyond!
