

2018 is a historic year for Waterford Hills Road Racing. This is our 60th year. We are Michigan's oldest continuing Sports Car Road Racing Club. Our Club is on the grounds of the Oakland County Sportsman's Club and our members are also their members. We are a not-for-profit, volunteer run organization, which holds club road racing events, on-track driving experiences, and rental opportunities for both public or private individuals and clubs.

Waterford Hills Road Racing has not repaved our track in over 20 years and the condition of the track has deteriorated and is in desperate need of repaving. Our members are committed to raising funds to make our track paving dreams a reality. We are focused on this one and only large fundraiser for the year.

***“Run for the Hills. Help pave the Way”*** is a 5K run/walk that has potential to draw in hundreds of people from the surrounding southeastern Michigan area. Our event is advertised on several Michigan Running Websites as well as Social Media and will commence **July, 21st 2018**. We have hired a Timing and Scoring Event Coordinator and we will have commemorative Tee-Shirts given to every participant. But to offset the cost of the Tee-Shirts we need your help.

We are asking you and/or your business to be a sponsor for our event.

**For your \$25 Donation** you will receive your name or your business name with either a phone number or web address on the back of our tee-shirt that EVERY participant will receive.
